-

Internship Experience

Artova Solutions Pvt. Ltd.

Junior Frontend Developer

July 2025 – Nov 2025

- Developed responsive web interfaces using HTML, CSS, JavaScript, and Bootstrap5.
 - Built reusable UI components under guidance from senior developers.
 - Worked with Git for version control and team collaboration.
 - Assisted in debugging, testing, and code optimization tasks.
 - Build Artova's portfolio website in PHP also.
-

Major Academic Projects

- **[Portfolio website](#):** Built a clean and responsive personal portfolio with a modern UI to showcase my skills and projects. Integrated a functional contact form that allows users to reach me directly via email.
 - **[BazaarHub Ecommerce Web app](#):** Developed a user-friendly ecommerce platform with features like product listing, cart management, and secure user authentication. Focused on clean UI design, smooth navigation, and responsive layouts to enhance the overall shopping experience.
 - **[FoodHouse \(Online Food Ordering System\)](#):** Created an online food ordering platform with features such as menu browsing, cart functionality, and order placement. Designed a clean, responsive UI to ensure smooth navigation and an easy ordering experience for users.
-
